Perfect Love

God with us, is Love...
Love is with you,
Love is with me,
Perfect Love...
We search for love...

Long for it, look for it,
but Love is with you,
Love is with me,
God with us, is Love

Love is never leaving,
never forsaking... us
Yet we'd do anything for this Love...
It's a choice...

So why do we never chose to Truthly, deeply,
Choose God to love...

We search for which isn't with us, love outside of us
Looking far and wide,
left and right swipes
but never looking up...

Love is up, looking up...
Love looking down from above
Arms stretched, childlike eyes wide
A praise rises up from the inside
Love is up, praise the Lord
Love looks up...

Then Love sits down,
arms down,
love frowns...
Love is down,
has gone in,
but love is not out...
Down, but not out...

Because Love is with you
Love is with me,
Love is with us, God with us..
Perfect Love.

Perfect Love,
blood shed,
Son died
Cross stretched,
arms wide,
thorn in side,
nail in hands...
Thorn in side, reminds Love is down but not out...

Love is falling in love with Jesus
Love is scared,
Love is sin, death on a cross,
Perfect Love has to sometimes got to die...
Stripe by stripe

Love, has raised
Love, is rising,
Love, is restored
Love, is resurrection
Love, is now with us
Holy Spirit Love, is with me
Love, is with you
Now... here with us...

Love, is freedom
His perfect Love, is free,
Love is peace, perfect peace
So why do we buy love,
and sell love cheap
When Love is here, Love is presence...

His presence...
Not past, nor future
Love, His presence...
Found in His presence...

You didn't find Love, Love found you...
In the miry clay... that day...
Perfect act of Perfect Love...

Love is with you
Is with me, God with us,
Is Perfect Love.

A poem about Love...

Perfect Love is based on 1 John 4:18 which says that perfect Love casts out fear. Immanuel, God is with us (Isaiah 8:7). A virgin will bear a son and shall call his name Immanuel.

A love letter to the Lord...

I pray these words will encourage you to hold on to the Lord's loving embrace, in this time of isolation.
