When....

When the enemy tries to sift you like wheat
The power of God will lift you back on your feet

When trials and burdens weigh you down
Raise your voice in faith, trust God to turn it around

When life seems hard and you can't see a way out
Even in those valley moments, the Lord is with you - do not doubt

When the storm is raging and hope is drifting
Keep anchored in God's Word and see the storm lifting

When you are feeling overwhelmed and fear appears
Trust in God's Word and the fear will disappear

When sickness comes and you feel weak
In Jesus Name decree healing over every situation when you speak

When battles are hard to win and you feel defeat
Stand still and know that He is God He's forever in the victory seat

When the enemy tries to trip your step
On the heads of snakes and scorpions you shall tread

Be encouraged whatever the trials of your, 'when'
In the Name of Jesus keep believing, pray and seal it with an AMEN

Isaiah 59:19

“..... **When** the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him.”

Whatever your 'when' of feeling defeat know that you are victorious in Jesus Name Amen. Journal your victories to remind you that you serve a victorious God who has never lost a battle.
